

Degrees of Glory – Joseph Smith

In the resurrection of the body (body and spirit made whole), they are assigned to different degrees of glory commensurate with the law they have obeyed. Many will not be aware of these consciousness differences unless they have obtained the higher ones, since they will only be able to understand once they have met all of the requirements within those higher consciousness realms to live fully within all of them. Those not utilizing their multi-dimensional bodies will only believe a person exists within one realm only. Therefore, they are still residing within the dark without enough light. A person must experience this for true understanding.

There are three (3) kingdoms of glory:

(1) the celestial (5th dimension unity Christ Consciousness – All who attain this kingdom “shall dwell in the presence of God and his Christ forever and ever”- higher consciousness).

The celestial kingdom will be the residence of those who have been righteous, accepted the teachings of Jesus Christ, and made and lived up to all of the required ordinances and covenants. They have made their quantum shift during their physical life. The celestial kingdom is the permanent residence of God the Father and Jesus Christ.

(2) the terrestrial (4th dimension unity and duality consciousness)

Those who will inhabit the terrestrial kingdom include those who lived respectably but “were blinded by the craftiness of men” and thus rejected the fullness of the gospel of Jesus Christ when it was presented to them during their mortal lives.

(3) telestial (3rd dimension duality consciousness “dead in Christ” – lower consciousness).

Those who will inhabit the telestial kingdom include those “who received not the gospel of Christ, nor the testimony of Jesus.” It will also include “liars, and sorcerers, and adulterers, and whoremongers, and whosoever loves and makes a lie. These are the people who are immersed into their 3rd dimensional reality only and have not pursued any type of spirituality in a meaningful way to expand their knowledge outside of their intellect.

The apostle Paul spoke of three glories, differing from one another as the sun, moon, and stars differ in brilliance.

(this all occurs after spiritual rebirth and personal judgment while in a resurrected physical body through a person’s achieved level of consciousness whether a person is aware of it or not (spiritually alive or “dead” during life)).

Final end times judgment occurs later after all have been exposed and preached to about the Gospel in some way.
